DEADLINES AND TENTATIVE TIMELINES

October 30	PCL Information Session, 11-1PM, @ MSB4227
December 3	CIE SREP online application due
January-March	CIE will notify students about nominations, placements, funding amounts, and instructions on next steps. Students apply to host universities
March-May	Depending on partner deadlines and timelines, you will receive a formal admission letter
May-August	Research placement

WHY SREP?

"I... am so glad I got out of classroom and [had] actual hands-on laboratory research experience.... This priceless experience made me figure out the future directions that I want to pursue in!"

Hui Yan Y., 2015, Hong Kong

"There is a lot of time to explore Singapore and nearby countries, and you have opportunities to make new friends and connections."

Michael L., 2015, Singapore
