Job Posting - Course Instructor Position  
Fall Term 2020 (September - December)

Posted on June 12, 2020

The Department of Pharmacology and Toxicology seeks 1 Course Instructor, 0.25 FCE (approximately 50 hours) for the following course:

**PCL482H Biomedical Toxicology (24L)**

This course explores several contemporary topics in biomedical toxicology with emphasis on how chemicals affect human health. Lectures cover principles of toxicology, the mechanisms of toxicity of a wide variety of toxic agents and the associated toxicities, methodologies used to examine chemical toxicities, risk assessment, and the applications of toxicology.

**Qualifications:**  
The ideal applicant will have a doctoral degree (PhD) with a specialization in the field of pharmacology or toxicology. The individual will have excellent breadth knowledge and experience with pharmacology and biomedical toxicology research and teaching. The ideal candidate will be experience in course management (Quercus preferred), creating and delivering online student assessments and examinations, course delivery and in mentoring and working with faculty, and graduate and undergraduate students.

**Duties:**  
- Assist as needed as co-Coordinator  
- Setting up and managing course learning management (Quercus)- including uploading lectures, responding to student questions, developing student assessment and ensuring day- day operations  
- Assisting Course Coordinator as required with online tools and platforms  
- Meeting students via online or in person as required  
- Assisting course coordinator and lecturers as needed and attending online or in- person lecture classes as needed  
- Assisting with the development of course assessment  
- Grading and mentoring students on class assessment (exams and/or assignments) as needed  
- Assisting in development of material related to the course assessments

**Estimated course enrolment:** 40  
**Estimated TA support:** 1  
**Rate of pay:** $4,109.58 (including vacation pay)

**Schedule:** PCL482H1F: Tuesday 9am-Noon

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Application process:
Applicants should submit a cover letter and CV by July 8, 2020. Applications should be sent to:

To Dr. Ruth Ross, Chair, Department of Pharmacology and Toxicology
c/o Elaine Jack, elaine.jack@utoronto.ca

If during the application and/or selection process you require accommodation due to a disability, please contact: michelle.arnot@utoronto.ca

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. The Departmental Hiring Policy is available in the Department office and in the CUPE Local 3902 office. The position(s) posted above is (are) tentative, pending final course determinations and enrolments.

Note: Although a graduate student’s preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist. Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.
