Posting Date: November 9, 2021

JOB POSTING – SESSIONAL LECTURER

Course Number and Title: Practicum in Clinical Pharmacology (PCL2100Y/PCL2101H/PCL2102H)

Course description:

The Practicum in Clinical Pharmacology is an opportunity for students registered in the 2nd year of the Applied Clinical Pharmacology (ACP) program to gain real-world experience in a work placement. Placement positions include pharmaceutical companies, contract research organizations, government agencies, medical communications companies and consulting firms. The practicum is generally offered over a 4- (PCL2101H or PCL2102H) or 8-month term (PCL2100Y).

Estimated Course Enrolment: 32

Estimated TA support: 0

Schedule: Flexible work hours

Sessional Dates: January 3, 2022 – April 29, 2022

Salary: SL1:$8,489.66, SL1 LT: $8,869.25, SL2: $9,085.58, SL3: $9,301.90 (rates reflect remuneration for teaching 0.5 FCE)

Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.
Qualifications: The successful candidate will have a graduate degree in Pharmacology or a related discipline with demonstrated experience working in the pharmaceutical industry and/or clinical research. The individual should have excellent communication, interpersonal, and professionalism skills. The ideal candidate will have a good understanding of regulatory pharmacology and career roles related to the application of clinical pharmacology.

Description of duties: (may include but are not limited to)

- Meet with the ACP Program Director and students to discuss practicum opportunities
- Review student resumes, CVs and cover letters
- Identify possible opportunities and liaise with employers
- Review practicum contracts
- Organize networking events
- Check in with placements supervisors and students

Closing date: December 2, 2021

Application process:
All individuals interested in this position must submit a Curriculum Vitae and the CUPE 3902 Unit 3 application form, available from Elaine Jack to:

To Dr. Ruth Ross, Chair, Department of Pharmacology and Toxicology
c/o Ms Elaine Jack, Medical Science Building, 1 King’s College Circle, room 4207, Toronto, ON, M5S 1A8, elaine.jack@utoronto.ca

Please note: Undergraduate or graduate students and postdoctoral fellows of the University of Toronto are covered by the CUPE 3902 Unit 1 collective agreement rather than the Unit 3 collective agreement, and should not apply for positions posted under the Unit 3 collective agreement.
Preference in hiring is given to qualified individuals advanced to the rank of Sessional Lecturer II or Sessional Lecturer III in accordance with Article 14:12.

This job is posted in accordance with the CUPE 3902 Unit 3 Collective Agreement.

It is understood that some announcements of vacancies are tentative, pending final course determinations and enrolment.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Diversity Statement

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ2S+ persons, and others who may contribute to the further diversification of ideas.

As part of your application, you will be asked to complete a brief Diversity Survey. This survey is voluntary. Any information directly related to you is confidential and cannot be accessed by search committees or human resources staff. Results will be aggregated for institutional planning purposes. For more information, please see http://uoft.me/UP.

Accessibility Statement

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission.
The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

If you require any accommodations at any point during the application and hiring process, please contact uoft.careers@utoronto.ca.
